

# Y REWARDS

## What is it?

At the YMCA, we strengthen the community by helping our members to strengthen their spirit, mind and body. Our Y Rewards program is designed to keep our members motivated and on track to reach their goals.

**Every time you check in, you are one step closer to receiving a reward!**

### How do I register?

The moment you join the Y, you are automatically enrolled in our rewards program.

### What is considered a point?

A point is noted as a scan and/or check-in at our member desk that connects your visit to your member account.

### How do I earn points?

Every time you visit one of our 10 locations and scan in, you move one step closer to a reward level.

### How can I see how many scans I have?

Visit any one of our 10 branches and ask our staff at the membership desk.

### Y Rewards Points

# OF VISITS	REWARD
24	Share the YMCA Certificate
85	Y Swag
150	T-Shirt

Y Rewards: Rewards are subject to change at any time.

\*Rewards are based on a rolling 12-month calendar. A member's 12-month starts on the date that their membership is active and or re-activated. Note that if a membership becomes inactive and is reactivated, your Y Reward points start over.
