SECURITY POLICY

All **non-member adults** attending a Birthday Party must present a **valid driver's license** for security scanning at check-in. Please share this policy with your guests in advance to ensure a smooth entry process.

WAIVERS

A **Guest Waiver** is required for each child who is not a YMCA member.

Parents should **write their child's name on the back of the waiver and sign it** before participation.

POOL INFORMATION

- You will have **1 hour of pool time** — 50 minutes in the water and 10 minutes to change.
- We recommend guests arrive **15 minutes early** to change and prepare for swimming.
- For swimmers **ages 9 and under**, one adult must be **in the water for every two children**. Insufficient adult supervision may result in **reduced swim time**.

- The **slide** will be available only if **adequate lifeguard staffing** is present.
- Please note: Your party will take place during **open swim**, and other members will also be using the pool.
- **No food or drink** is permitted on the pool deck.
- The **party host** will not be in the pool area.
- **Inflatables** are not permitted in the pool.

OTHER

- Parents are responsible for the overall supervision of party guests.
