### Healthy Living

Thanks to the compassion of those who serve and support it, the YMCA is a place of healing, strength, and second chances. At Anthony Wayne, we have a evidence-based wellness program. Our wellness offerings at the Anthony Wayne YMCA include BrainSavers, a comprehensive senior-focused program that strengthens both mind and body.

### Bringing People Together

**Donor generosity makes it possible** for the Anthony Wayne YMCA to provide a welcoming wellness center where individuals and families build strength, confidence, and lifelong healthy habits.

#### Social Circle

A friendly group at the YMCA that enjoys playing MahJong, sharing favorite recipes, and visiting local lunch spots while building lasting friendships.

#### Adult Sports

Pickleball is booming at our YMCA! Players of all skill levels can take advantage of lessons, tournaments, and open gym opportunities. No matter your experience level, our program offers a welcoming and engaging way to get in the game.

### Youth Development Section

**Thanks to the generous support of our donors,** our Youth Basketball, Soccer and Summer Tee-Ball programs remain accessible to all children. Providing fun, skill building experiences that foster teamwork, confidence, and a love of play.

"I love the AW YMCA because the whole experience is not just about fitness- it's about feeling stronger, supported, and part of a community! I especially love and appreciate the personal training program because it keeps me accountable and I have a trainer who motivates me and truly cares about my success!" – **Rob K**
