## HEALTHY LIVING

**60** Lives Transformed in 2025

Thanks to compassionate community support, the YMCA offers healing, hope, and second chances. Evidence-based wellness programs help individuals living with chronic disease gain the knowledge and tools to live healthier, more active lives.

Your support doesn't just fund programs—it helps people move forward with strength, resilience, and hope.

## BRINGING PEOPLE TOGETHER

**168,758** Visits in 2025

Because of generous community support, the Francis Family YMCA is a welcoming place where people of all ages strengthen their mind, body, and spirit—serving Bedford, MI and surrounding communities.

Your support makes wellness accessible at every stage of life, powering aquatics programs with two pools that serve families, older adults, lap swimmers, and ProMedica physical therapy patients.

Donor generosity also connects our community—supporting Active Older Adult programs, a Health Fair serving **200+ participants**, and shared experiences that bring members together across YMCA branches.

Because of you, children gain life-saving swim skills through school partnerships and grow in confidence through the Stingray Swim Team and gymnastics programs.

Your support doesn't just fund programs—it strengthens our community.

## YOUTH DEVELOPMENT

**528** Youth Served in 2025  
Age 0-12

Because of generous community support, the Francis Family YMCA offers a wide variety of programs that help youth stay active, curious, and engaged, including:

- Swim Lessons & Swim Team
- Gymnastics
- NFL Flag Football
- Basketball
- Pickleball
- Crochet & LEGO Club
- Specialty Camps
- Rock Wall Climbing

**In 2025, donor support made a real difference:**

**1,700** swim lessons provided to youth—building life-saving water safety skills

**279** youth served in our inaugural gymnastics program

**48** youth participated in NFL Flag Football, a program that continues to grow

Your generosity gives kids the opportunity to try new things, build confidence, and develop healthy habits that last a lifetime.
