103°F When the **heat index is 103°F or higher**, all outdoor programming will be **canceled**, with the exception of **outdoor swim lessons**, which may continue with added heat-safety precautions.

Emergency School Closings

If your child's school must evacuate or close during the school day, parents or guardians are responsible for making arrangements to pick up their child(ren) directly from the school.

Outdoor Pool Weather Policy

For the safety and comfort of our members, outdoor pools will remain closed or will close if the air temperature falls below 65°F. In the event of lightning or thunder, the outdoor pool will close immediately and all members must evacuate the pool area until conditions are deemed safe to return.

YMCA Weather Closings & Communication

The YMCA of Greater Toledo is committed to providing our facilities and services whenever it is safe to do so.
We appreciate your patience and understanding when weather or emergency situations require us to adjust operations or close branches and child care sites.

Programs canceled due to severe weather may not be rescheduled. The YMCA will make every reasonable effort to make up missed programs or events when possible. Refunds will not be issued for weather-related cancellations.

Members will be notified of any closures or delays through the YMCA website, social media, and email communications. Please check these sources for the most up-to-date information.
